

My relationship with ME

From this day forward,
I do solemnly swear to be the best version of myself as often as possible.

Yes, I vow to be a 2%er.

I promise to stand by me, for richer or poorer, may the Force be with me, in sickness and in health, ashes to ashes, dust to dust, because I'm worth it.

And these are my 5 promises to myself:

It's okay to sign in ink, sweat or tears but no blood. Thank you 😊
